Milliken Contract

Milliken brings a breath of fresh air to carpet for Senior Living. Building on the input of professionals like you, we've tailored a collection of patterns that will provide a single source carpet offering.

With over 200 patterns and design collections that range from traditional to modern classic and botanical to arts and crafts, you can add an elegant touch to any senior living environment. Even the most spill-prone floors become beautiful, thanks to the unique moisture barrier built right into the Designed for Senior Living Collection™. Only from Milliken Carpet.
