5 REASONS TO SELECT MILLIKEN CARPET FOR YOUR SPORTS FACILITY:

1. ABILITY TO CONVEY A BRAND MESSAGE VIA THE CARPET Select from a vast portfolio of standard designs or use Milliken's advanced design and patterning technology to create custom, thematic designs, reflective of your team or city.

2. CARPET ASSURES A WARMER, MORE HOSPITABLE ENVIRONMENT With Milliken's Comfort Plus® cushion backing, you'll experience a level of underfoot comfort that actually reduces walking fatigue, as well as significant noise reduction and fewer slips and falls.

3. PROVEN WEAR PERFORMANCE YEAR AFTER YEAR From fiber selection to carpet construction to proprietary finish treatments, Milliken carpet is engineered to stand up to the heaviest levels of traffic while still retaining a superb appearance.

4. FLEXIBILITY AND PRACTICALITY Sports facilities face unique challenges — exceptionally heavy traffic, drink spills and food stains, to name just a few. Whether you select modular, which offers the ability to replace soiled or damaged tiles, or broadloom, MilliCare® maintenance provides a practical solution to your carpet maintenance needs.

5. A FULL PACKAGE OF PRODUCT AND SERVICE SOLUTIONS including carpet formats that range from 36-inch modules to 13'6" broadloom formats and service solutions that range from installation to maintenance.
