THE RETAIL REVOLUTION

“The switch from broadloom to Milliken carpet tiles is one of the best moves we’ve made from a flooring standpoint. We’re using a higher quality, more functional carpet while actually saving on overall flooring costs. The cushion backing is more comfortable for both customers and employees and makes the carpet more durable. We’ve been impressed with Milliken’s reliability and quick response, which earned them FedEx Kinko’s Most Valuable Supplier Award. We use Milliken for all of our carpet needs. They provide complete project management of carpet orders, take-offs, entryway systems and anti-fatigue mats”.
